

STEP 1 OF 3 · BASECAMP

EduPeak Engineering Basecamp

Before your two years of JEE preparation begin, answer the one question that shapes everything: where do you stand today? Basecamp checks your Class 9–10 foundations across six skill areas — and turns 100 minutes into a clear, honest picture of what to build first.

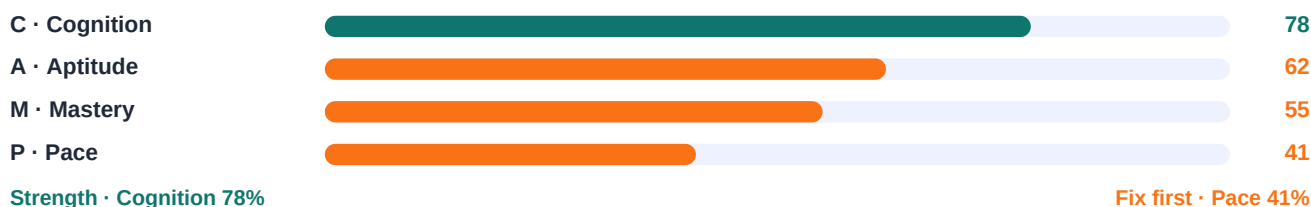

WHAT YOU GET

- ✓ 75 questions · 6 timed sections · no negative marking
- ✓ A CAMP profile — your strength in Cognition, Aptitude, Mastery and Pace
- ✓ Your top strengths, and the exact areas to fix first
- ✓ One honest starting number for your two years — no guesswork

When to take it: once, right after Class 10, before serious preparation begins.
