

STEP 2 OF 3 · CHAPTER TESTS

Chapter Tests

As you finish each Class 11 and 12 chapter, take a fresh test built just for it — then come back to fix whatever a mock test flags as weak. Every test is newly assembled, so no two are the same and no answer key can circulate.

WHAT YOU GET

- ✓ ≤25 questions · 60 min · real JEE marking (+4 / -1)
- ✓ Every chapter in Physics, Chemistry and Maths
- ✓ A question-by-question report with worked solutions
- ✓ A clear level for each chapter — Strong, Building, or Needs work

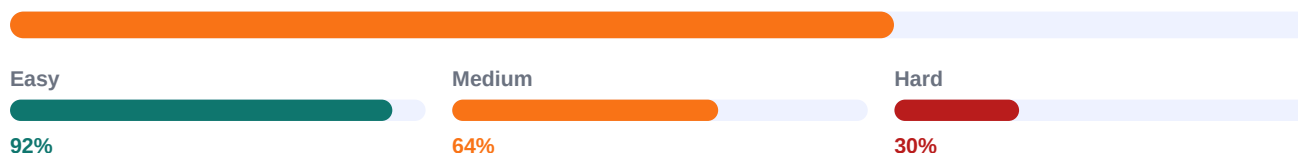

When to take them: all through Class 11 & 12, chapter by chapter.

What your chapter report looks like
