

STEP 3 OF 3 · MOCK TESTS

JEE Main Mock Tests

In your last months, practise the whole exam. Around 100 full-length papers match the real JEE Main — same pattern, same 180-minute clock, official marking — so exam day feels familiar. After each one, an honest report shows what to fix; then loop back to Chapter Tests.

WHAT YOU GET

- ✓ 75 questions · 180 min · official JEE marking · max 300
- ✓ Full exam pattern across Physics, Chemistry and Maths
- ✓ Score, subject split, and the chapters to fix first
- ✓ Watch your scores rise across attempts

When to take them: your last 3–6 months, as full exam practice.
